

Join the For Impact Funding Bootcamp

April 3rd & 4th 2019

At the For Impact Funding Boot Camp, you build a solid foundation and framework - including how to successfully tell your story, develop your team and transform your funding

The high-energy, two-day session is focused on how to:

- ✓ Execute against a sales process (for major gifts, campaign gifts, transformational gifts, etc.)
- ✓ Build and maximize relationships
- ✓ Build and lead an effective fundraising team
- ✓ Ask, close and follow-up

What to Expect (hint: not your typical training or conference)

A **For Impact Boot Camp** is the opposite of what you've come to dread from conferences and workshops. Instead, what you CAN expect:

- ✓ **Simple, applicable, proven frameworks and ideas that you can use**, whether you're an executive director, professional fundraiser or volunteer leader.
- ✓ **Some controversial thinking.**
- ✓ **No PowerPoints.** But still lots of visuals, including our signature napkins (so all your takeaways are guaranteed to be simple.)
- ✓ **Value that goes beyond funding.** We're life entrepreneurs, so while we always want to create value in the form of funding results, there is a huge personal development theme in everything we do.
- ✓ **Energy** (not in a 'rah-rah' way but in a 'we-know-you-wear-52-hats-we've-been-there-we've-got-your-back' way. We want to solve your problems, not create more work) ...with authenticity.
- ✓ **Follow-up** telephonic coaching session within 90 days after the training session and free one year access to online training and support from the For Impact Coaching Platform.

"Dit is verreweg de beste, want hands-on en super goed toepasbare training in fondsenwerven die ik in mijn tien jaar in dit vak heb gevolgd – vandaar dat wij deze Amerikaanse toptrainers naar Nederland hebben gehaald. Ons hele team doet mee, maar we hebben ook nog plek voor een beperkt en select aantal anderen... Doe je mee? Of ken je iemand die daar baat bij zou kunnen hebben? Stuur deze uitnodiging dan vooral door!"
