

THINK OUTSIDE THE BOX

4-3-1

This is the classic test of your ability to THINK CREATIVELY. (It's also a great way to think about 'RULES.')

The Creativity Test:

Connect the 9 dots with **4** straight lines, without picking up your pen from the paper.

Practice Here...

If you can solve with 4 straight lines, get 'really creative' and do it with **3** lines.

Now get radically innovative... and do it with **1** line!

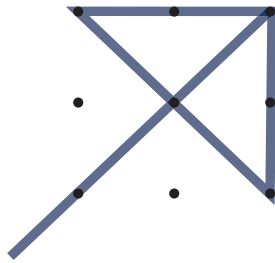

* For Impact leaders say, "WHAT BOX??"
